- Storage & Handling.** : Protect from direct sunlight. Store at normal temperature in well ventilated area. Keep the can of plate cleaner tightly closed. The use of gloves recommended while handling this cleaners.
- Packaging** : 1 Ltr/5 Ltr/25 Ltr.

**Properties** :

Colour	Pink
Odour	Characteristic
Specific Gravity	0.96 - 0.98 @ 25°C
Clarity	Emulsion
Appearance	Liquid Emulsion
Emulsion stability	15-20 % emulsion stable in water
Viscosity	65-75 seconds at 25°C
VOC content	>45%
Effect on Plate	No attack on PS and CTP coating
