## HPC - 0221

### EASY WASH

Easy Wash is aliphatic hydrocarbon based very low odour Roller & Blanket Wash for all offset machines through manual & automatic washing devices.

### Features

- Excellent ink solvency so cleans up deep pores and gum glaze quickly on blanket
- Can be used through automatic blanket washing device
- Fast drying with no residue
- Prolongs roller & blanket life
- Will not cause corrosion on press parts and washer parts

### Application

**For Blanket** - Apply wash directly with a cloth or sponge to dilute & remove the ink layer. Wipe away the loosened particles with a sponge or cloth. Wipe the blanket with damp cloth or sponge to remove the paper lint & fluff.

**For Inking Rollers** - Pour a small quantity of the concentrate solution using a bottle & allow the press to run. Fix the gutter blades & pour liberal amount of wash to rinse away the ink. Do the same exercise with water to remove the lint fluff & water soluble impurities. For automatic cleaning follow machine manufacturer guideline

### Packaging

25 Ltr / 200 Ltr / 1000 Ltrs

### Shelf life

12 months from the date of manufacture.

### Properties

Colour	Colourless
Odour	Characteristic
Specific Gravity	0.730 - 0.770 at 25°C
Clarity	Transparent
Appearance	Transparent Liquid
Viscosity	10 - 12 seconds through B4 FC
VOC Content	> 90 %
Flash Point	62°C

This information has been carefully compiled from experience gained in the laboratory and under commercial conditions. However, the product's performance and its suitability for the customer's purpose depend on the particular conditions of use and the material being printed. We recommend that customers satisfy themselves that each product meets their requirements in all respects before commencing a print run. All sales are subject to our standard conditions of sale.
