### New V FD Flexo Wash

New V FD Flexo Wash is a superior, low odour fast cleaner for UV flexographic inks. Its effective formula rapidly cleans UV flexographic ink from Anilox roller, Photopolymer plates & machinery.

### Features

- Strong cleaning formulation
- Environmentally friendly cleaning liquids
- High durability and are formulated for the longest stand time, trouble free operation and long service intervals
- Clean solvent based UV as well as conventional flexographic inks
- Low solvent odour with a moderate flashpoint
- Will not damage Anilox or photopolymer plates
- It could be diluted with water (1:1) as fits your needs

### Application

Shake well and apply with wet cloth or sponge. Remove ink and other particles and wipe the Anilox clean with dry cotton for manual operation.

### Packaging

5 Ltr / 25 Ltr / 200 Ltr

### Shelf life

12 months from the date of manufacture.

### Properties

Colour	Colourless to Slightly Yellowish
Odour	Ester
Specific Gravity	0.850 - 0.870 at 25°C
